

IT NonStop

DataArt

IT NonStop is a series of conferences organized by DataArt, a global technology consultancy that designs, develops and supports unique software solutions. IT NonStop conferences will be held in 5 cities across Poland, Ukraine, and Russia. Each of the conferences focuses on a particular aspect of IT development, and they are all dedicated to specific projects and practical solutions.

AUDIENCE: Developer, QA specialists, Project Managers, Business Analysts

WHERE: Russia, Poland, Ukraine

Fintech Hardcore

Digital transformation, digital platforms, omni-channel banking, big data analytics and AI, open APIs, biometrics, cloud platforms, blockchain. This conference focuses on innovative, widescale, and extreme solutions in IT-projects that lead to groundbreaking changes in finance

1st of December 2017

Lubelskie Centrum Konferencyjne, 2 Grottgera Street

PARTNERS

The partners of IT NonStop are companies interested in reaching to the IT crowd: educational institutions, IT companies, media and many others. Partners will have the opportunity to talk to experienced IT experts.
